Our Closing Event in Poland!

On March 20, 2025, the Public Primary School in Łopiennik Nadrzeczny hosted the final International Conference.

The event opened with a warm welcome by the school director and featured colorful cultural performances by preschool and schoolchildren, showcasing the traditions of partner countries.

Local government representatives emphasized the role of the community in supporting sustainability. Project partners presented key outcomes from each work package, showcasing the project's impact on green and social entrepreneurship.

Our Closing Event in Poland!

The day concluded with a visit to a local herbal trading enterprise, where participants learned about the company's roots and the health benefits of herbs—bringing the themes of sustainability and tradition full circle.
